Addendum No.: 4, E2Q74, Financial Project # 41022817206

Asset Maintenance for all Rest Areas, Welcome Centers and Weigh Stations in District Two. The Contractor's area of responsibility will begin at the point of the deceleration lane taper entering the facility and end at the end of the acceleration lane taper exiting the facility.

The following language shall be added to the above referenced contract:

It is expressly understood and agreed that any articles that are the subject of, or required to carry out, this Contract shall be purchased from a nonprofit agency for the blind or severely handicapped that is qualified pursuant to Chapter 413, Florida Statutes, in the same manner and under the same procedures set forth in Section 413.036(1) and (2), Florida Statutes; and for purposes of this Contract the person, firm, or other business entity carrying out the provisions of this Contract shall be deemed to be substituted for the state agency insofar as dealings with such qualified nonprofit agency are concerned.

The Contractor must perform all janitorial services, lawn care, and landscaping at all Facilities via subcontract with RESPECT of Florida, which must accomplish these services using nonprofit agencies for the blind or severely handicapped. RESPECT of Florida may decline providing services at any Facility, in which case the Contractor shall perform these services by other means. For purposes of this paragraph, the term "janitorial services" includes but is not limited to, cleaning/washing/scrubbing the interior and exterior of all grounds, picnic areas, walkways, buildings, and structures and the contents thereof, not including wastewater treatment facilities. Additionally, janitorial services also includes but is not limited to the cleaning/washing/scrubbing of the floors, walls, ceilings and partitions; window, tile and surface cleaning/washing/scrubbing; disinfecting and cleaning/washing/scrubbing of restrooms; mopping, sweeping, dusting and vacuuming all grounds, picnic areas, walkways, buildings, and structures; providing and replenishing bathroom supplies; emptying wastebaskets and trash receptacles of all grounds, picnic areas, walkways, buildings, and structures. Such services are of the type rendered by a janitor in the regular course of duty, and may be rendered alone or in conjunction with other services.
